Public Review Period Closing on the Citizens Redistricting Commission Most Qualified Applicants

The list of the 60 most qualified applicants available for public review through November 18

LOS ANGELES – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean Logan reminds Los Angeles County residents the public review period on the Citizens Redistricting Commission's most qualified applicants will close on November 18.

The Citizens Redistricting Commission is formed every 10 years following the federal census to adjust the County's Supervisorial Districts, so that the County's district boundaries reflect the County's diverse population.

The list of the 60 most qualified applicants, their application information, and the ability to leave public comment can be reviewed and completed on our [website](#).

Once the public review period has closed, the Los Angeles County Auditor-Controller will randomly select eight candidates from this pool of 60. One applicant from each Supervisorial District and three from remaining pool of applicants will be announced at a regularly scheduled meeting of the Los Angeles County Board of Supervisors.

Those eight candidates will then select another six candidates to form the 14 member Citizens Redistricting Commission.

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible and transparent manner.
