## NEWS COVERAGE, ELECTION RESULTS, AND PRESS BULLETINS

The election night news center is located in the Registrar-Recorder/County Clerk's Headquarters. Department staff will be on hand to assist in news coverage. The first press bulletin with initial absentee ballot results will be issued about 8:30 p.m. As precinct ballots arrive during the evening, updated cumulative results will be available and posted on the RR/CC's Internet website.

California state law allows 28 days for the conduct of the official canvass of final election results. All ballots cannot be counted on election night. **Election night results are always unofficial.** Additional ballots are counted in the days/weeks following the election including: 1) absentee ballots received through the mail or dropped off at the polls on Election Day. These ballots must be individually signature-verified and then opened prior to tabulation; 2) provisional ballots cast at the voting precincts on Election Day by persons whose eligibility to vote cannot immediately be verified. The ballots must be individually researched to determine eligibility; 3) damaged ballots that are unable to be processed through the election tally equipment and must be manually duplicated prior to tabulation; and 4) ballots containing write-in votes which must be individually reviewed to determine if the write-in vote is for a qualified/unqualified write-in candidate. As a result, close contests may not be determined until the official canvass is completed and certified election results are released. (For additional information regarding the official canvass, see page 7-8).

### Additional Information Concerning Election Results

On Wednesday afternoon, November 7, the Election Information Section will have intercounty election results for portions of districts which are outside Los Angeles County. Shared districts for this election are:

<u>School District</u>	<u>Shared County</u>
Antelope Valley Joint Union High School	Kern
Antelope Valley Community College	Kern
Gorman Joint	Kern
Las Virgenes Unified	Ventura
Mt. San Antonio Community College	Orange
Victor Valley Community College	San Bernardino

City and community results may be obtained in the Election Information Section beginning about noon on Wednesday, November 7. Copies of the semi-official precinct by precinct statement of votes cast will be available Thursday afternoon November 8, at approximately 2 p.m.

A final press bulletin will be prepared upon completion of the official vote canvass. Official election results will be available by Monday, November 26.

## **POLL LOCATION AVAILABLE BY AUTOMATED PHONE**

Determining poll locations for voters calling us at election time and on Election Day is facilitated with two Interactive Voice Response (IVR) servers containing 96 lines. When calling 1-800-815-2666 each voter will be prompted to enter his/her zip code, the digits corresponding to the voter's house number and numeric birth date. The IVRs will instantly interact with the voter registration database seeking a match for this data. If found, the system will automatically, without human intervention, read the polling location to the voter. This phone system allows up to 96 callers to call in at the same time, 24 hours a day, beginning on October 30 through Election Day.

## **VOTERS WITH DISABILITIES**

What is our goal? 100% participation of eligible voters in all elections, 100% polling place accessibility, and options for all voters who seek independent voting. In compliance with federal law and state law, we provide services to voters with disabilities including:

- InkaVote Plus audio ballot booth at every polling place
- Accessible polling places wherever possible
- Wheelchair accessible voting booths
- Large type voting instructions and magnifying devices at polling places
- Absentee/vote-by-mail and permanent absentee/vote-by-mail voting options
- Pollworker assistance at any step

*What does the law say? Four federal laws are of special importance to disabled and elderly voters:*

- *Voting Rights Act of 1965* – Any voter requiring assistance may receive it from a person of the voter's choice, other than the voter's employer or agent of that employer or officer or agent of the voter's union.
- *Voting Accessibility for the Elderly and Disabled Act, 1984* – Promotes the fundamental right to vote by requiring "access for elderly and handicapped individuals to registration facilities and polling places in federal elections."
- *Americans with Disabilities Act of 1990 (ADA)* – Requires public entities to provide auxiliary aids and services where necessary to afford an individual with a disability an equal opportunity to participate in, and enjoy, the benefits of service, program or activity conducted by a public entity.
- *Help America Vote Act of 2002 (HAVA)* – At least one direct recording electronic voting system or other voting system available at each polling location to enable individuals with disabilities including blind voters to vote independently. Los Angeles County will meet this requirement at each precinct voting location for this election. All 832 locations will have InkaVote Plus.

## **SPEED OF BALLOT COUNTING ELECTION NIGHT – HISTORICAL TRENDS**

On election night, ballots from all 832 voting precincts are brought to the Registrar-Recorder/County Clerk's headquarters in Norwalk for tabulation. After the polls close the precinct officials must complete the paperwork to balance the number of ballots cast with the number of voters signing in, the number of remaining unvoted ballots, etc. Most precincts complete this function between 9:00-9:30 p.m. Then precinct officials from the 832 precincts bring their ballots and supplies to one of 27 designated check-in centers located throughout the County. From these locations Sheriff deputies transport the voted ballots by car to Norwalk.

After arrival in Norwalk, the ballots must be checked-in and inspected prior to counting. Once inspected, the ballots are moved into the computer room where operators process the ballots on one of 6 counting stations.

Hundreds of individuals are involved in the logistics of ballot transport, preparation and tabulation. Historically for consolidated elections, approximately 90% of the ballots are counted by midnight on election night. The following chart provides statistical information on the speed of ballot tabulation.

## **FINALIZING THE OFFICIAL VOTE TALLY (CANVASS)**

Candidates are frequently surprised on the day after an election when they learn that there are tens of thousands of ballots remaining to be counted. These uncounted ballots may leave some close races undecided for days or even weeks. The following explains the logistics of election night ballot counting, and follow-up ballot tabulation, which occurs in the days/weeks following the election. The law allows 28 days after the election to complete the ballot tally and the official audit of the election, known as the Canvass. When the Canvass is completed, the official results are certified.

There are three categories of ballots which cannot be processed on Election Night:

- ◆ Absentee ballots turned in at polling locations
- ◆ Provisional ballots voted at the polls
- ◆ Write-in ballots

### **ABSENTEE BALLOTS TURNED IN AT THE POLLING LOCATIONS**

Some absentee voters wait until the last minute to make their voting choices and then drop off their absentee ballots at the polling place on election day. We receive these ballots very late on election night. All absentee ballots must be pre-processed before they are counted – this includes verifying every absentee voter’s signature prior to opening the absentee ballot envelopes to remove the ballots in preparation for counting.

### **PROVISIONAL BALLOTS**

Provisional ballots are voted at the polls when a voter’s registration is in question, or when our records indicate the voter was already sent an absentee ballot. Provisional ballots are sealed in special envelopes at the polls and must be individually researched and verified at the Registrar’s Office before ballots are counted or rejected in accordance with election laws.

### **WRITE-IN BALLOTS**

All ballots containing write-in votes must be set aside for manual review of each individual ballot. When a voter chooses to vote for a write-in candidate whose name is not printed on the ballot, every race and measure on that ballot cannot be counted on election night. Each ballot containing a write-in vote must be individually reviewed to determine whether or not the write-in vote is for a qualified candidate and whether or not the voter overvoted (i.e. voted for a candidate on the ballot and also voted for a write-in candidate for the same office). When an overvote occurs, neither vote can be counted for that one office, although the rest of the ballot selections will be counted. Due to the individual scrutiny involved, no portion of any ballot containing a write-in vote is counted on election night. Vote tallies for write-in candidates are not available until the conclusion of the official canvass.

## **SUMMARY**

Supplemental ballot counting of absentee, provisional and write-in ballots will occur in the days/weeks following the election. These ballots are not segregated by district prior to counting. Therefore, the number of outstanding ballots for any specific contest will be unknown until the computer tallies these ballots.

California law permits 28 days to complete the final, official canvass and certify the results of the election. This provision of the law recognizes the complexity of completing the ballot count and conducting a thorough audit of the election results to ensure accuracy. Part of the canvass process is a legally required manual recount of the votes cast for all candidates and measures on the ballot in 1% of the 832 voting precincts. This manual process verifies the accuracy of the computer count.

Candidates and members of the general public are invited to observe supplemental ballot counting and the manual tally of ballots from the randomly selected 1% of the voting precincts. After election night, the schedule of supplemental ballot counting will also be posted on the entrance door of our office in Norwalk.

We realize it is difficult for candidates/campaigns involved in close races to wait days and sometimes weeks to know whether or not they won or lost the election. However, we hope that the reasons for the delays in the final ballot tally have been fully explained.

## MOST COMMONLY ASKED QUESTIONS

Q

**WHAT IS A PROVISIONAL BALLOT AND WHY DO THEY TAKE SO LONG TO PROCESS AFTER EACH ELECTION?**

A

Provisional ballots are provided at the voting locations to those voters whose names are not listed on the precinct's roster. Often the voter has moved without informing the Registrar's Office. Sometimes the voter's registration was canceled in error. Often the voter is at the wrong polling place. Another case of provisional voting is when the voter has an "AV" marked in the precinct's roster designating that an absentee ballot was already issued for that voter. However, the voter claims he/she never requested or received an absentee ballot, or states that he/she did not vote the absentee ballot but does not have the absentee ballot to surrender. In these cases, a voter may vote but the ballot is inserted and sealed into a provisional envelope in order to avoid co-mingling with other voted ballots.

The voter, and the precinct inspector at the polling place complete the required information listed on the outside of the provisional envelope. After the envelope is complete, the Pollworker will enter the serial number and the line number from the Provisional Ballot List on the pink Provisional Voter Receipt and give it to the voter. The pink Provisional Voter Receipt was first used in the June 2004 Primary Election. This receipt will give the voter proper information that he/she needs to determine whether or not a provisional vote has been counted. Such "provisional ballots" are not opened or counted until the registration information is researched by the Registrar's Office and the voter is determined to be eligible to vote. This research occurs during the days immediately following election day as part of the official vote canvass. Eligible ballots are added to the count during the canvass period. The law allows 28 days to complete the official tally of the vote (Canvass). Over 100,000 provisional ballots were cast in L.A. County at high voter turnout at the October 2003 Special Recall Election.

Q

**WHY ARE THE PHONES SO BUSY AT THE REGISTRAR'S OFFICE ON ELECTION DAY?**

A

On Presidential Election Day, November 2000, the phone company reported that up to 10,000 calls per hour were flooding our phone system. While it is not possible to have sufficient staff to respond to such call volume, an Interactive Voice Response (IVR) system was installed and proved to double our call response capability.

The vast majority of callers ask "Where do I go to vote?" Listed below are the responses the caller will hear when calling a designated toll-free number (800) 815-2666:

- While callers are on hold awaiting connection with the IVR or a "live" operator, voice messages inform them alternate sources to obtain information on polling place look up including the back page of the voter's sample ballot booklet, our Internet website address, City Clerk's offices, County libraries and political party headquarters.

- For major elections we provide lists of polling place locations to the 88 city clerks in L.A. County, many of whom also have Internet access. Additionally, over 90 County libraries have Internet access and, along with the political parties and dozens of public and private organizations, partner with our office to assist the voting public. The cooperation of these offices and organizations has been outstanding.

- Since November 1996, poll location look-up by address has been available on our web site at: [www.lavote.net](http://www.lavote.net).

Q

### **WHY HAS MY VOTING LOCATION CHANGED?**

A

Every voter's polling place address is printed on the back cover of the sample ballot booklet he/she received in the mail prior to the election. Reasons for changes in polling place locations from previous elections include:

- Precinct boundary changes are required due to increased registration or consolidation of precincts.
- Polling place locations are not permanent, and are subject to availability of the public building, church, private residence, etc. for each election.
- A polling place across the street is not necessarily in the voting precinct for all residents of an area because the precinct boundary line may be established in the middle of the street due to bisecting district lines (i.e. a water district bisecting a precinct).

Q

**ARE THERE ANY SAFEGUARDS IN THE VOTE TALLY SYSTEM TO GUARD AGAINST FRAUD?**

A

As required by law, the Department's computer tally software has been certified by the Secretary of State's Office.

- The Department is required by law to conduct computer Logic and Accuracy tests before, during, and after vote tallying on election night. Additionally, a copy of the vote count program is on file with the Secretary of State's Office.

All voted ballots from a randomly selected 1% of the 832 precincts are manually tallied and balanced against the computer counts to verify the accuracy of the election tally system during the Official Canvass period which takes place after election day, but before results are officially certified. This is also required by law.

Q

**WHAT PROVISIONS ARE MADE FOR VOTERS WITH DISABILITIES?**

A

- **InkaVote Plus** An audio ballot booth is available to assist voters with special needs at every polling place on election day. Voters, who are disabled, including those who are blind or visually impaired, may vote privately and independently using an audio headset and a simple keypad. Once voting is complete, a paper ballot is printed. That ballot is then inserted into the InkaVote Plus PRB like any other ballot. Also, voters whose main language is not English may choose to vote an audio ballot in Chinese (Mandarin or Cantonese), Japanese, Korean, Spanish, Tagalog/Filipino or Vietnamese.
- **Curbside Voting** Any voter who cannot reach the voting area at the poll because of architectural barriers or physical limitations may request to vote "curbside", meaning outside of the poll location. A poll worker will bring a ballot and marking device to the voter, assist the voter if necessary, and place the voter's ballot in the ballot box.
- **Voters with Wheelchairs** Designated wheelchair accessible voting booths are available at every County poll location.
- **Permanent Absent Voting** California law permits any voter to apply for Permanent Absent Voter (PAV) status. PAV's are automatically sent an absentee ballot for each election. For further information regarding this program, please call (562) 466-1323.
- **TDD Services for the Hearing Impaired** A telecommunications device for the deaf (TDD) is available to receive calls from any citizen who has a hearing impairment. The TDD service number is (562) 462-2259.

**Q****WHAT PROVISIONS ARE MADE FOR MULTILINGUAL VOTERS?****A**

In 1992 federal legislation (Public Law 102-344) passed extending the minority language provisions of the Voting Rights Act of 1965. Any County with more than 10,000 residents whose native language is not English and who indicated on their U.S. census form a lack of proficiency in English, is required to provide election materials in the identified languages. In Los Angeles County these language

requirements extend to Chinese, Japanese, Korean, Spanish, Tagalog and Vietnamese. The Registrar-Recorder/County Clerk has installed a toll free number (800) 481-8683 for L.A. County residents to call to obtain voting materials in any of these six designated languages. Translated election materials are automatically mailed to voters who have requested this information in past elections. Multilingual information and oral assistance is also available at those polling places where a specific language threshold exists indicating a need for this assistance.

Also, on Election Day every polling place has the InkaVote Plus voting system which includes an audio ballot booth available to assist voters with special needs. Voters whose main language is not English may choose to vote an audio ballot in Chinese (Mandarin or Cantonese), Japanese, Korean, Spanish, Tagalog/Filipino or Vietnamese by using an audio headset and a simple keypad. Once voting is complete, a paper ballot is printed. That ballot is then inserted into the InkaVote Plus PBR like any other ballot.

In a continuous effort to reach voters whose first language is not English, our department's website has been expanded to include information on voting services for persons requiring assistance in Chinese, Japanese, Korean, Spanish, Tagalog/Filipino and Vietnamese (the languages mandated for translation in compliance with the U.S. Voting Rights Act). Viewers have translated links located on the home page into these specific languages for accessibility. When clicked, viewers will find a Multilingual Assistance Hotline which is a toll free number for voters to request translated materials (i.e., voter registration forms and sample ballot booklets) in a specific language. Hard copies of the "Multilingual Voter Services" brochure are available upon request, or can be viewed on our website [www.lavote.net](http://www.lavote.net).

LOS ANGELES COUNTY REGISTRAR-RECORDER/COUNTY CLERK

## INKAVOTE PLUS

Q

### WHAT IS INKAVOTE PLUS?

A

InkaVote Plus is an enhancement to the InkaVote paper ballot voting system used by Los Angeles County voters since 2003. It consists of three parts:

1. The **voting device** and the attached special ink marker. Each voter inserts the ballot into the device, securing the ballot over the red pins and then “inks” the ballot card.
2. The **precinct ballot reader (PBR)** sits on top of the ballot box. The PBR checks ballots for overvotes (making more selection for a contest than allowed) and for completely blank ballots (undervotes) and notifies the voter. This provides a second chance for the voter to correct his/her ballot.
3. An **audio ballot booth** is available to assist voters with special needs. Voters who are disabled, including those who are blind or visually impaired, may vote privately and independently using an audio headset and simple up/down arrow keypad. Also, voters whose main language is not English may choose to vote using the audio headset in Chinese (Cantonese or Mandarin), Japanese, Korean, Spanish/ Tagalog/Filipino or Vietnamese. Other voters may also prefer to vote using the audio equipment. Once the voter has made selection

Q

### HOW DOES INKAVOTE PLUS PROTECT THE VOTE?

A

InkaVote Plus alerts voters to overvotes (making more selection for a contest than allowed) or completely blank ballots. This allows for a second chance to make corrections. This protects the vote by insuring each voter’s choices are reflected properly.

Q

### HOW DOES THE PBR WORK?

A

The InkaVote Plus precinct ballot reader (PBR) contains sensors in the ballot slot. When the sensors read an overvoted contest or a completely blank ballot, the ballot returns with a printed notification explaining the error. Ballots without such errors simply pass through the PBR and drop into the ballot box.

Q

**IS MY VOTE STILL PRIVATE?**

A

Yes! The InkaVote ballot may be inserted into the PBR in any direction including upside down. The PBR returns the ballot to a voter only if he/she has overvoted a contest or cast a completely blank ballot. Is so alerted, the voter then returns to the ballot booth to make the correction.

Q

**CAN VOTERS WITH DISABILITIES USE INKAVOTE PLUS?**

A

Yes! InkaVote Plus includes an **audio ballot booth** to provide an independent and private voting experience for voters who are blind, visually impaired or otherwise disabled. Using a private audio headset, voters with visual or other disabilities indicate voting choices using a simple keypad. Once voting is complete, a paper ballot is printed. That ballot is then inserted into the InkaVote Plus PBR like any other ballot. (Note: voting with the audio ballot does take more time due to “reading” the ballot prior to making selections.)

Q

**HOW DOES INKAVOTE PLUS HELP VOTERS WITH LIMITED ENGLISH SKILLS ?**

A

The audio ballot provides service in six languages in addition to English. Voters may choose an audio ballot in any of the languages mandated by the Federal Voting Rights Act: Chinese (Cantonese or Mandarin), Korean, Japanese, Spanish, Tagalog/Filipino, or Vietnamese.

	QUESTIONS	ANSWERS/AUTHORITY
<b>ABSENTEE BALLOTS</b>		
1.	<p><b>WHO MAY VOTE BY ABSENTEE BALLOT (Vote By Mail)?</b></p> <p><b>ARE THERE CIRCUMSTANCES UNDER WHICH A VOTER CAN BE REQUIRED TO VOTE BY MAIL?</b></p>	<p>Any registered voter may vote by "absentee" ballot. Prior to 1978, only persons who had a certified medical excuse or who could demonstrate that they would be out of town on election day were allowed to vote absentee. Since 1978, however, any registered voter may apply for and vote an absentee ballot, making "voting by mail" accessible to everyone. (E.C. SEC. 3003)</p> <p>Yes, if an election precinct has fewer than 250 registered voters on the 88th day prior to an election, that precinct can be declared by the elections official to be a "mail ballot precinct" and all voters in that precinct will automatically be sent absentee ballots. (E.C. SEC. 3005)</p>
<b>HOW TO APPLY FOR AN ABSENTEE BALLOT AND VOTE BY MAIL</b>		
2.	<p><b>WHERE CAN I OBTAIN AN APPLICATION TO VOTE BY MAIL?</b></p>	<p>You must apply in writing to your local elections official. The address and telephone number of your county elections official is 12400 Imperial Highway, Absent Voter Section Room 3002, Norwalk 90650, and (562) 466-1323.</p> <p>You can find the telephone number and address of your county elections official by looking in the front of your telephone directory in the white pages, government listing section, under county offices. It will be listed under either "Elections," "Registrar of Voters," "County Clerk," or "Voting."</p> <p>An application to vote by mail is also included in the sample ballot and voter information pamphlet sent to you by the county elections official prior to each election. (E.C. SEC. 3022)</p>
3.	<p><b>WHEN MUST I APPLY FOR AN ABSENTEE BALLOT AND VOTE BY MAIL?</b></p>	<p>Election officials process applications and mail out absentee ballots in the period 29-7 days prior to an election. You may submit an application prior to this time, but the elections official will hold it until the 29th day. Applications are available at the election official's office and can be completed and submitted in person. (E.C. SEC. 3001)</p> <p>The elections official cannot accept any applications received less than 7 days prior to an election. However, if during the final week before an election you become ill or disabled or for some unforeseen reason find that you will be away from your polling place on election day, you may request (in writing and signed under penalty of perjury) that an absentee ballot be picked up and delivered to you. You may authorize another person to bring you the ballot and to return it to the elections official after you have voted. (E.C. 3021)</p>

	QUESTIONS	ANSWERS/AUTHORITY
4.	<b>WHAT INFORMATION MUST BE INCLUDED IN MY APPLICATION?</b>	Your application must include your printed name, your residence address, as it appears on the affidavit of registration, the address where you want the absentee ballot sent, and the name and date of the election for which you are applying for (e.g. November 6, 2007 Consolidated). In addition, you must sign and date your application. (E.C. SEC. 3006)
5.	<b>I HAVE A MEDICAL DISABILITY. DO I HAVE TO APPLY FOR AN ABSENTEE BALLOT FOR EACH ELECTION?</b>	<p>No, any voter may apply for permanent absentee voter status. Such voters are automatically sent an absentee ballot for every election. For further information on how to become a permanent absentee voter, refer to your sample ballot or call the Absent Voter Section at (562) 466-1323. (E.C. SEC. 3201)</p> <p>Once a voter becomes a permanent absentee voter, he or she will retain this status as long as he or she casts a ballot in all <b>statewide primary or general</b> elections. If a permanent absentee voter fails to cast a ballot in two consecutive general elections, he or she will be removed from the permanent absentee voter list and will need to reapply in order to have this status restored. (E.C. SEC. 3206)</p>
6.	<b>I WILL BE OUT OF THE COUNTRY FOR AN ELECTION AND I'M CONCERNED THAT THE MAIL IS SLOW AND I MAY NOT RECEIVE MY ABSENTEE BALLOT IN TIME TO COMPLETE IT AND RETURN IT BY ELECTION DAY. IS THERE ANY WAY I CAN APPLY EARLIER THAN THE NORMAL 29 DAYS?</b>	<p>Yes. If you are in the military or temporarily living overseas you may qualify as a "special absentee voter." Special absentee ballot applications may be processed by the elections official as many as <b>60 days</b> prior to an election. Application must contain the same information cited in #4. (E.C. SEC. 3103)</p> <p>An application by a qualified special absentee voter shall be deemed an affidavit of voter registration and an application for permanent absent voter status. (E.C. SEC. 3104)</p>
<p><b>HOW TO VOTE BY MAIL USING AN ABSENTEE BALLOT</b>  <b>Once you have obtained your ballot by following the steps outlined above, you can vote your ballot and return it by mail or personally.</b></p>		
7.	<b>I APPLIED FOR AN ABSENTEE BALLOT TO VOTE BY MAIL. I HAVE NOT RECEIVED MY BALLOT BY RETURN MAIL AND MUST LEAVE FOR A TRIP IMMEDIATELY. IS THERE A WAY I CAN STILL VOTE WITHOUT WAITING FOR MY ABSENTEE BALLOT?</b>	Yes, any voter may vote between October 31 and November 6, at the Registrar-Recorder/County Clerk's Office in Norwalk. Since you will be unable to surrender your absentee ballot, you will be issued a "provisional" ballot, which will not be counted until it can be determined that you did not also vote by mail.

	<b>QUESTIONS</b>	<b>ANSWERS/AUTHORITY</b>
8.	<p><b>HOW DO I VOTE MY BALLOT?</b></p> <p><b>MAY I APPLY AND VOTE AT THE ELECTIONS OFFICIALS' OFFICE?</b></p>	<p>Follow the instructions, which accompany your ballot provided by the elections official. Failure to complete your ballot correctly could jeopardize your vote. You will receive all the supplies necessary for the use and return of the ballot. (E.C. SEC. 3010)</p> <p>Yes, during regular business hours and on the two weekends prior to election day. Call the Absent Voter Section at (562) 466-1323 for office hours or if you have any questions concerning your absentee ballot.</p>
9.	<p><b>DO I HAVE TO SIGN THE ABSENTEE BALLOT RETURN ENVELOPE?</b></p>	<p>Yes. The signature is compared to the signature on your voter registration card before the ballot is counted to determine that you are the authorized voter. This is an important protection for you. To preserve the secrecy of your ballot, once the signature comparison is made, the ballot is separated from the envelope to prevent anyone from knowing how you voted. In this manner, the ballot becomes as anonymous and secret as any of the other ballots before they are counted. If, when you apply for an absentee ballot, you omit any of the required information from your application, the elections official will send you a ballot, but will also include a notice that the missing information must be provided in order for the ballot to be counted. (E.C. SECS. 3009, 3019)</p>
10.	<p><b>WHEN MUST I RETURN THE VOTED BALLOT?</b></p>	<p>In order to be counted, your ballot must be <u>received</u> by the elections official no later than the close of the polls on election day. The polls close in California at 8:00 p.m. You can mail it or bring it to the elections office or to any polling place worker within the county. Ballots received after close of polls cannot be counted regardless of postmarks. (E.C. SECS. 3017, 3020)</p> <p>If you return your voted ballot by mail, don't forget to put the required postage on the envelope. The post office cannot deliver it without the required postage.</p>
11.	<p><b>IF I LOSE THE ABSENTEE BALLOT SENT TO ME, CAN I GET ANOTHER ONE?</b></p>	<p>Yes. However, you must sign a statement under penalty of perjury that you have lost or did not receive the first absentee ballot. The elections official maintains a record of each request, and provides a list of these requests to the polling place to ensure that each voter only casts one ballot. If you vote twice by absentee ballot, even if by mistake, neither ballot will be counted. (E.C. SECS. 3013, 3014)</p>
12.	<p><b>CAN I GIVE MY VOTED ABSENTEE BALLOT TO SOMEONE ELSE TO RETURN FOR ME?</b></p>	<p>If you are ill, or have a physical disability, you may designate a relative (spouse, child, parent, grandparent, grandchild, brother, or sister) or any person residing in the same household as you to return your voted ballot for you following the instructions printed on the back of the return envelope. Your relative may return it in person to the elections official or to a polling place in your county, or may place it in the mail for return to the elections official. Contact your county elections official for more information. (E.C. SEC. 3017)</p>

	QUESTIONS	ANSWERS/AUTHORITY
13.	<b>IF I REQUEST AN ABSENTEE BALLOT, CAN I CHANGE MY MIND AND STILL VOTE AT MY REGULAR POLLING PLACE?</b>	<p>Yes, but you must bring your unvoted absentee ballot and give it to the polling place worker before voting a regular ballot. (E.C. SEC 3015)</p> <p>If you are unable to surrender your absentee ballot, however, you may still cast a "provisional" ballot at your polling place which will not be counted until it can be determined that you have not also voted by absentee ballot. (E.C. SECS. 3016, 14310)</p>
